

Funny Bunny Game

Instructions

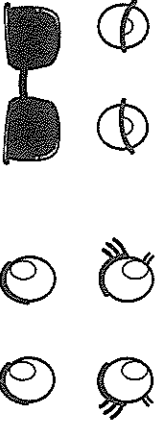

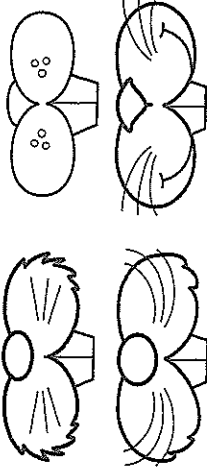

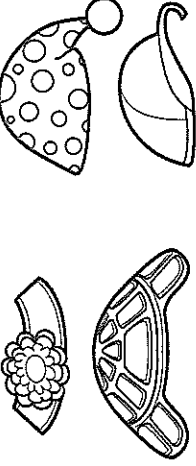

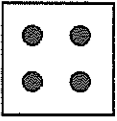

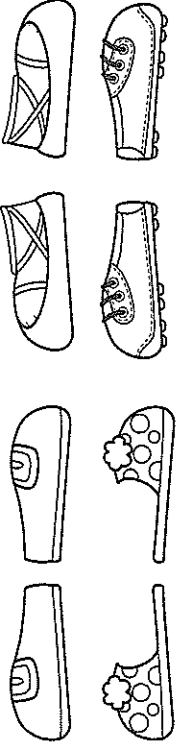

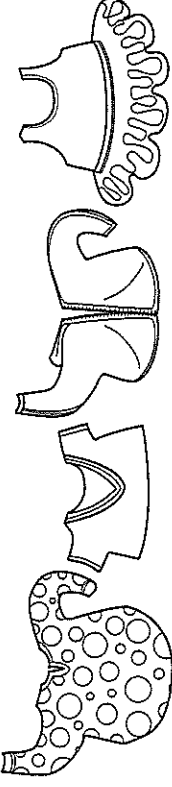

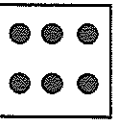

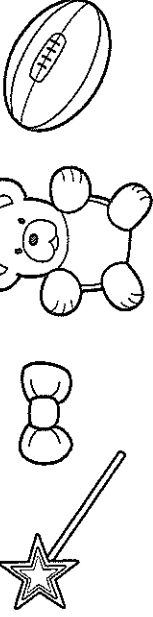

Number of Players: 2 - 4

To play this game, each group of four will need the following:

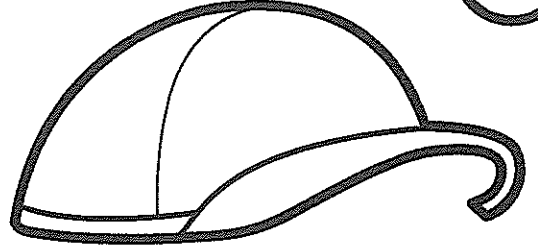

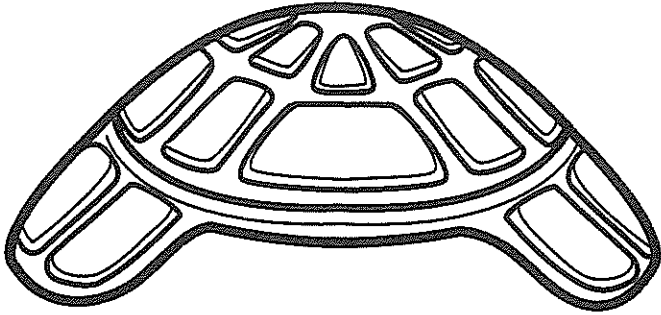

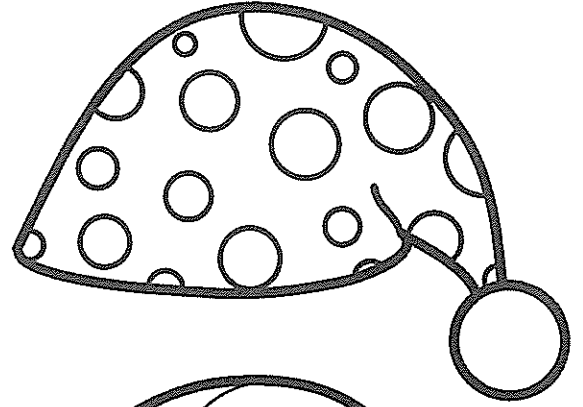

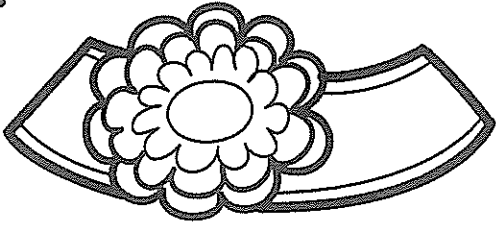

- 1 x funny bunny chart
- 1 x dice
- 4 x blank bunny templates (each student to receive one of these)
- 1 x set of eyes
- 1 x set of nose/mouth
- 1 x set of shoes
- 1 x set of hats
- 1 x set of pieces of clothing
- 1 x set of accessories

How to play:

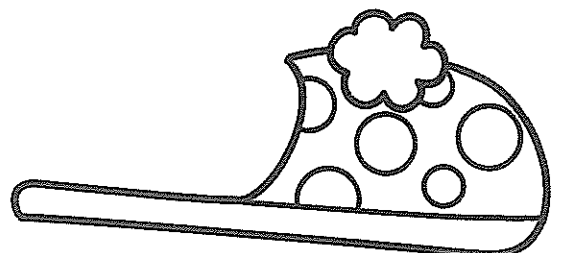

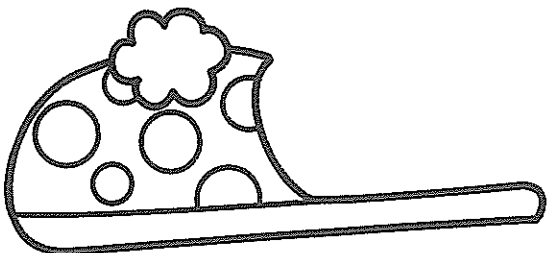

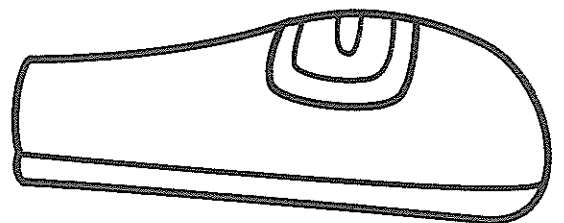

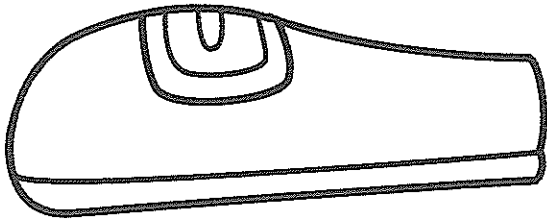

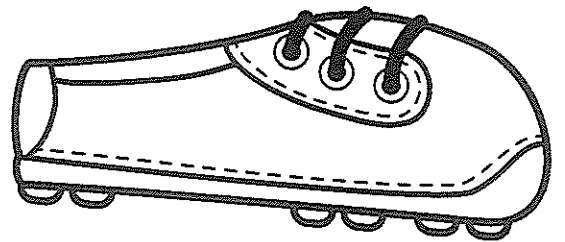

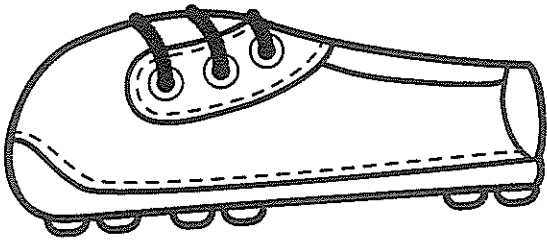

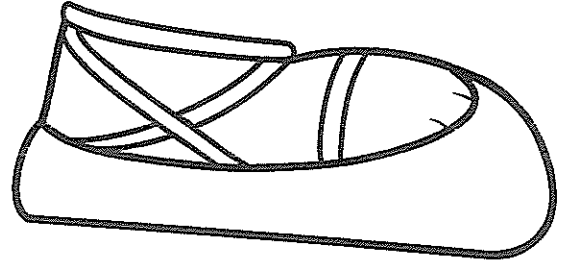

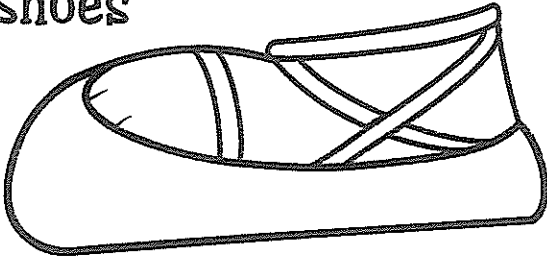

1. Students sit in a circle with their own bunny template.
2. In the middle of the circle, place a funny bunny chart, dice and all the bunny feature cutouts.
3. Students take turns rolling a dice to indicate which bunny feature to collect. For example, if they roll a 1, they would pick a set of eyes for their bunny.
4. Students continue taking turns until their funny bunny has been created.

Funny Bunny Game

Eyes

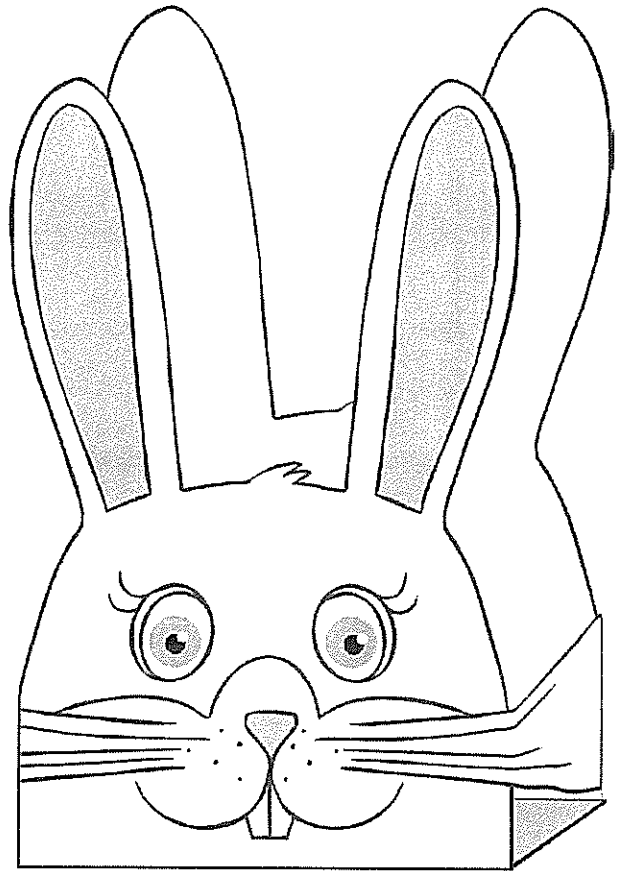

Nose/mouth

You will need:

- art paper or thin cardboard;
- crayons, coloured pens and pencils;
- scissors;
- paste;
- bunny sided Easter basket cut-out sheet (attached).

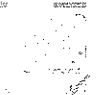

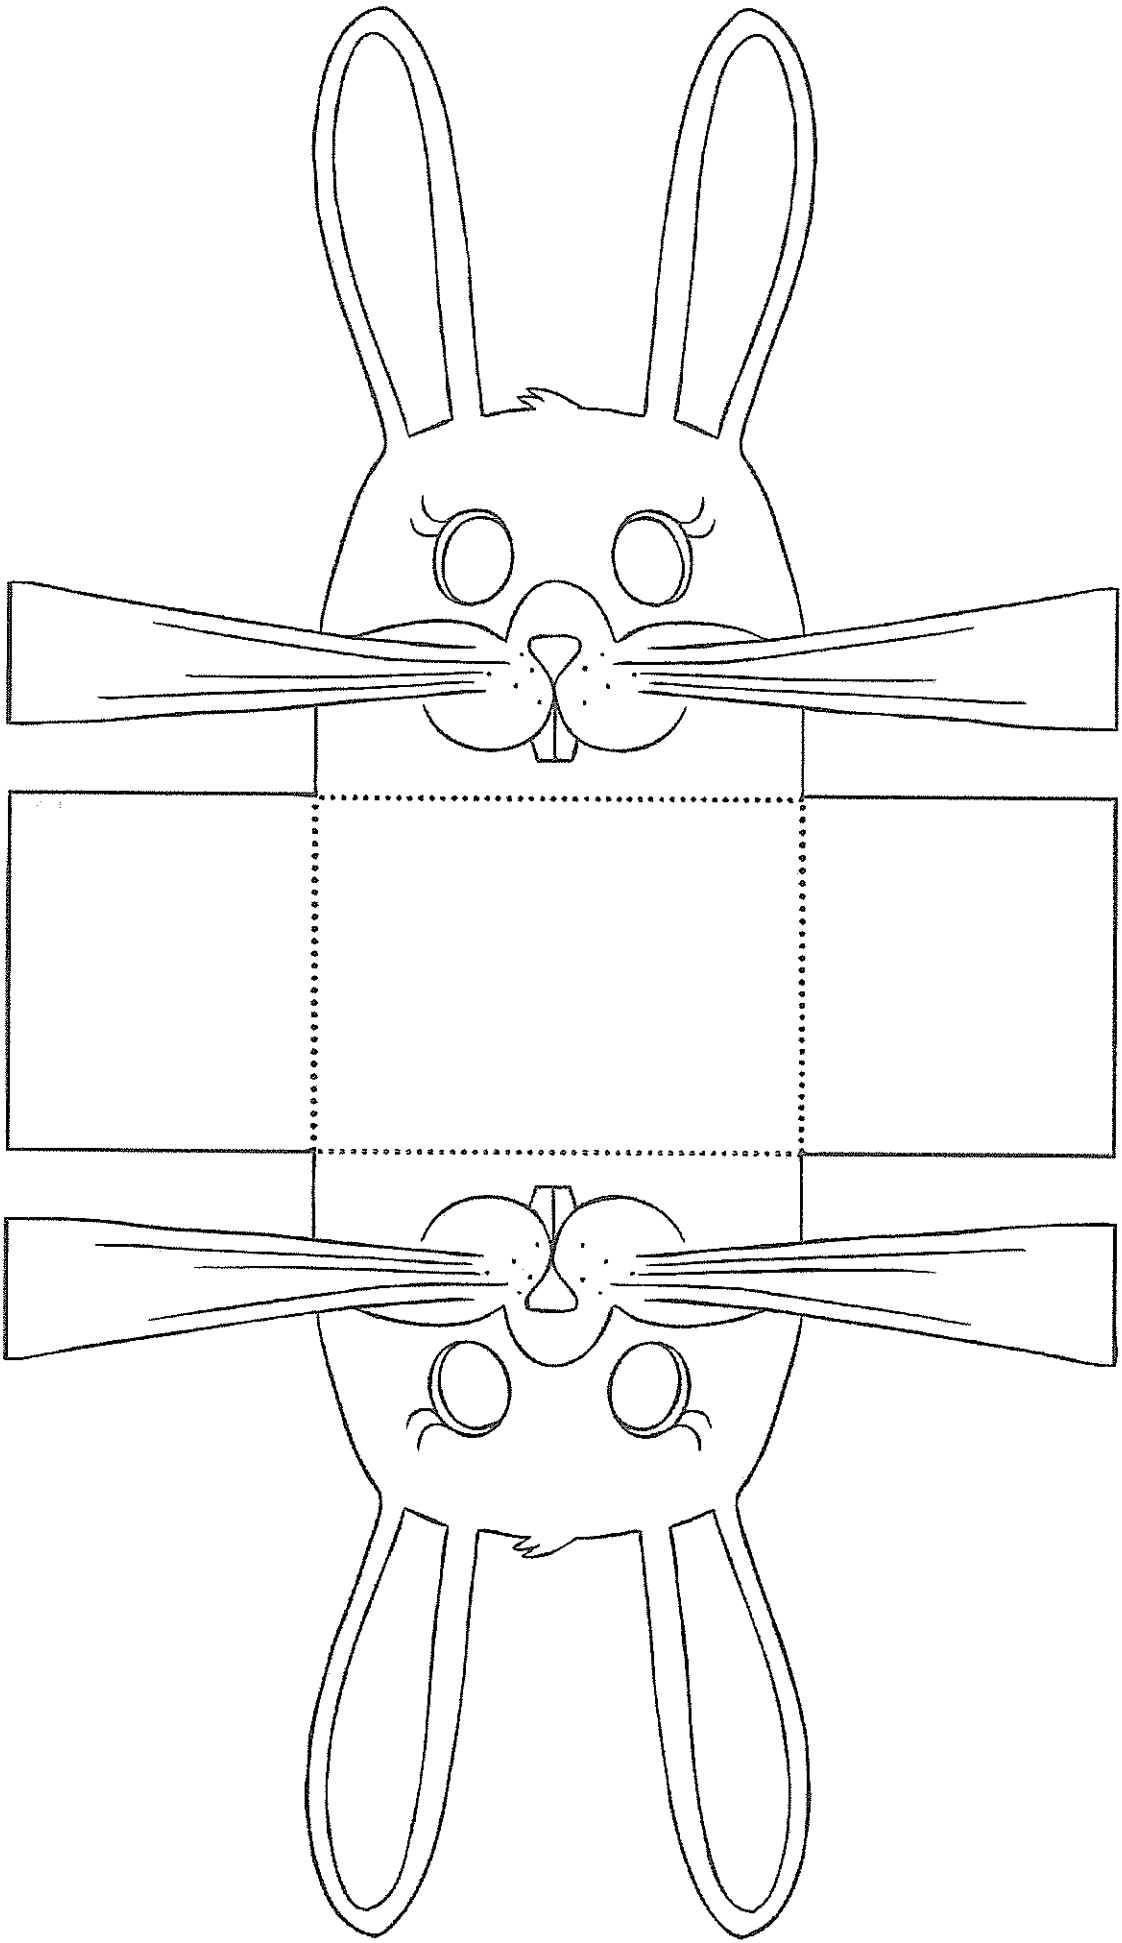

Instructions

1. First, colour and decorate the basket as desired and then carefully cut it out.
2. Next, fold along the dotted lines so the four sides are standing upright on the rectangular base.
3. Fold the whiskers so they cross over on both rectangular sides of the basket and paste or staple them in position.
4. Finally, paste together the tips of the ears opposite to each other to make the basket handles.

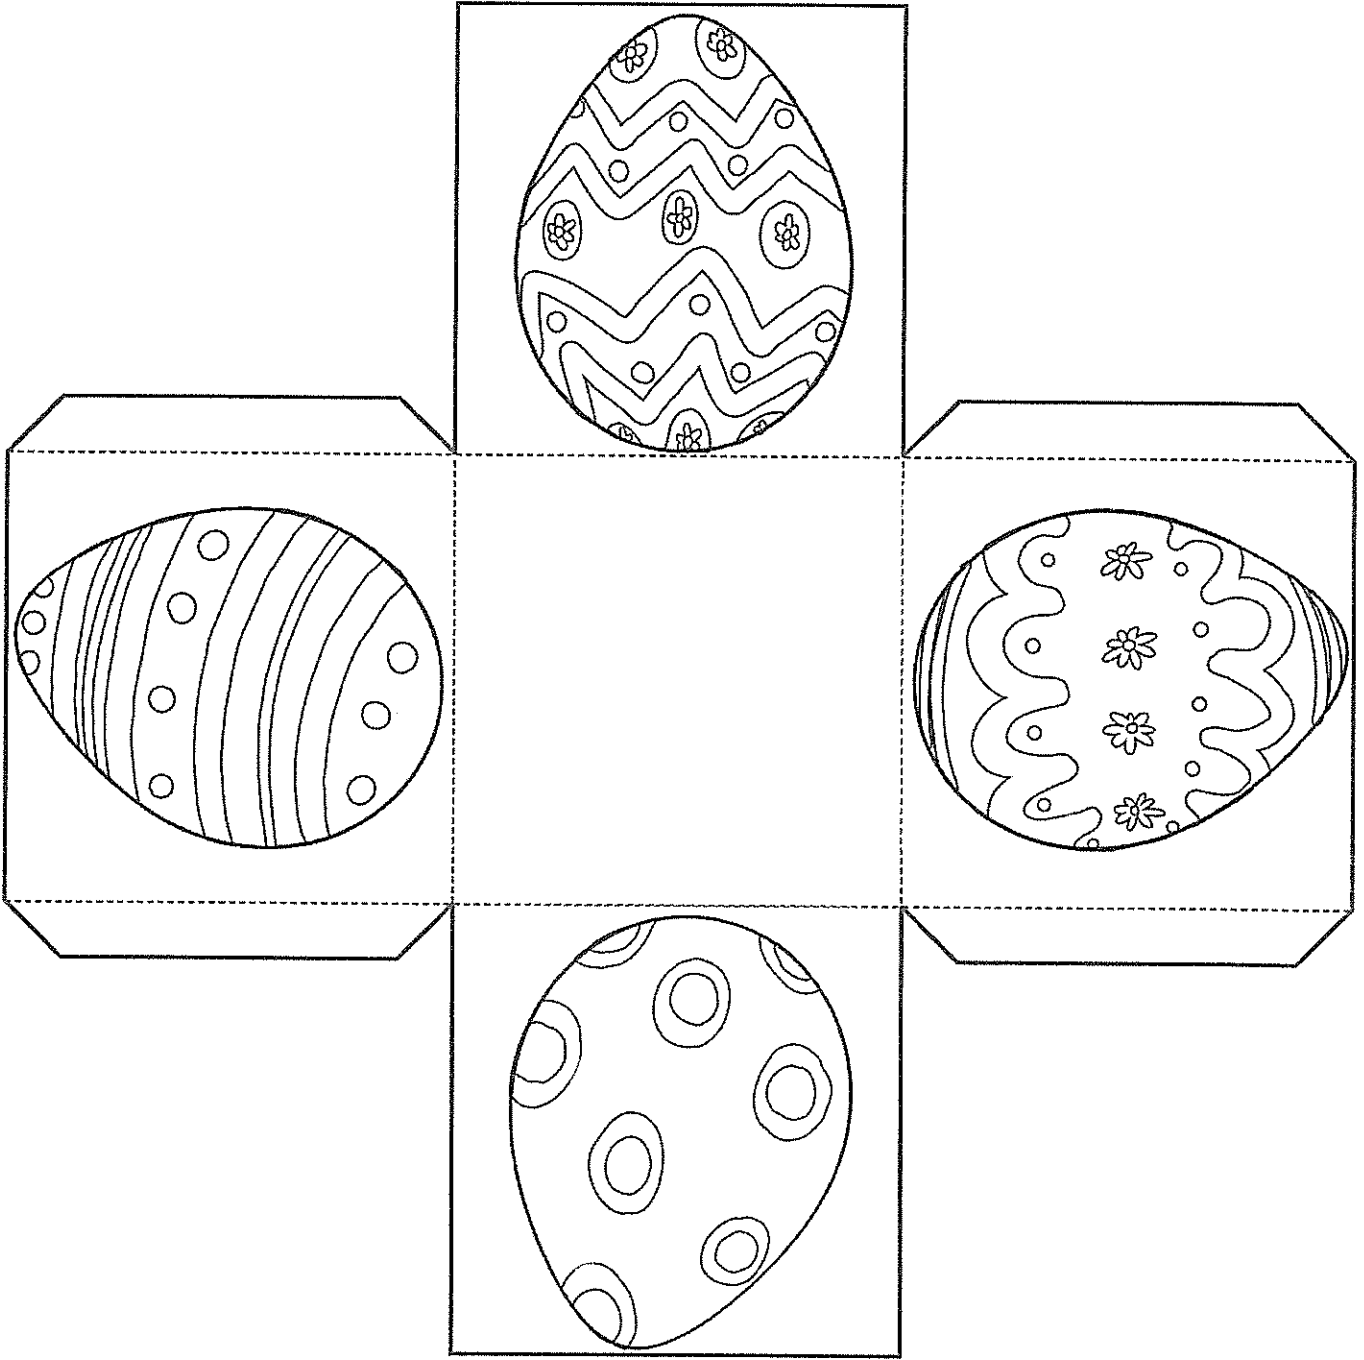

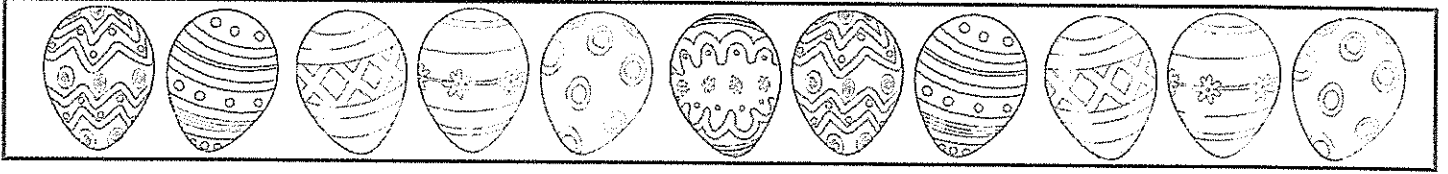

Something Different

Leave the bunnies' ears standing upright. Cut a strip of cardboard (2cm x 20cm) to make a handle. Staple the cardboard strip between the bunnies' ears on both sides of the basket.
