

Early Stage 1 Learning at Home Week 11 Term 1

Reading

As you currently do, please read with your child every day and encourage them to read to themselves.

Literacy: Roll and Write

Let's practise writing sight words! Roll a die and write the sight word for the number you rolled. (You will need to print the roll and write sheets, or you can create your own using the same words)

Blue Words **Roll and Write** Blue Words

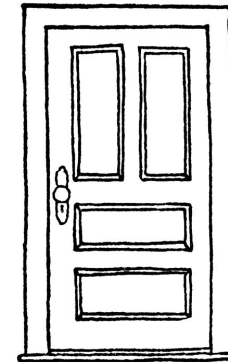

DIRECTIONS: ROLL YOUR DIE AND WRITE THE SIGHT WORD FOR THE NUMBER THAT YOU ROLLED. WRITE FOUR OF THE WORDS HAVE REACHED THE BOTTOM YOU CAN STOP.

1	2	3	4	5	6
I	am	went	to	can	on

Numeracy: Counting Objects

Count how many pegs are in the peg baskets. Try and write this number in rainbow writing.

Can you now count how many doors you have in your house? Don't forget the kitchen cupboards!

Easter Craft: Make an Easter Hat!

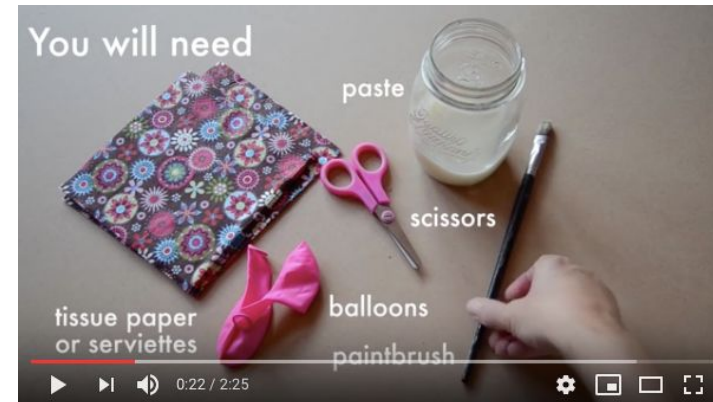

Be as creative as you can!

When you have finished take a picture and upload it to Seesaw for your teacher to see.

Easter Craft: Papier Mache Eggs

Watch this video to learn how to make the eggs:
<https://www.youtube.com/watch?v=BZHNwN1p1h8>

Once you have made your eggs, hide them in your backyard and go on an Easter egg hunt with your family!

Staying Healthy

Which foods from the supermarket are 'sometimes' foods, and which are 'always' foods?
Cut out pictures from a supermarket magazine and sort them into two groups.
