

STAGE 2
LEARNING AT HOME - Term 2 Weeks 1 and 2

Word list- Access your spelling list on google classroom.

Spelling - Choose at least one activity to do each day with your words.

<p>Write a funny spelling story using your spelling words. Correctly punctuate and use a variety of sentence structures.</p>	<p>Raid the cupboard or pantry to find products such as flour, cereal or sauce to look for some spelling words. They will likely be hard to find but be resilient. To complete this activity you must put everything back!</p>	<p>Wacky Words Write your spelling words in different directions, filling up the page. Use different colours and fonts.</p>	<p>Spelling Stairs -Write each spelling word a letter at a time to make it look like a stairs.</p> <p>h ho hor hors horse</p>	<p>Use a dictionary to find the meaning of each spelling word.</p>
<p>Hold a balance pose while you spell each word - challenge yourself to hold it longer</p>	<p>Upper and Lower -Write your spelling words in uppercase and then in lower case.</p> 	<p>Play celebrity heads with someone. Give them clues to work out the words.</p>	<p>Using newspapers and magazines to find as many of your spelling words as you can.</p>	<p>Go on the computer. Use your words and create a word art</p> <p>https://wordart.com/</p>
<p>Record yourself singing your words.</p>	<p>You're a Poet -Write an acrostic poem about one or more of your spelling words.</p> 	<p>Create a find a word using your spelling list. Ask a family member to solve it.</p>	<p>Write your words in alphabetical order. Now in reverse alphabetical order as a challenge!</p>	<p>Create a tongue twister using your spelling words.</p>

Reading - Read for 20 - 30 minutes a day (or more if you can!)

<p>Read the text aloud to someone in your family.</p>	<p>Retell an interesting part of the text in your own words to a family member.</p>	<p>Describe the most important event. Give at least three reasons why you think it is the most important event.</p>	<p>Write an email to one of the characters in the story. What would you say to that character.</p>	<p>After reading... Draw a landscape/animal or plant described in the text.</p>
---	---	---	--	---

<p>Before reading an imaginative text... Predict what you think might happen in the story. Write your prediction down and check if you were right after reading the book.</p>	<p>Before reading an informative text... What do I know? What do I want to know? After reading... What did I learn?</p>	<p>After reading Write 5 questions that you would ask the main character in an interview. Make sure they are open ended questions: who, what when, where, how and why.</p> 	<p>Vocabulary List 5 adjectives the author uses to describe one of the characters</p>	<p>Visualising Create a mini comic book about one of the scenes from your book. You need to illustrate it and write what the characters are saying.</p>
--	--	---	--	--

Writing - Complete a writing task each day.

<p>Write a letter to your best friend.</p> 	<p>Create an advertisement for a book you have recently read. Make sure you persuade the reader to want to purchase the item.</p>	<p>Login to Pobble 365. Pick a picture. Complete the writing task that is attached to the picture you choose.</p>	<p>Write about what it would be like if you had a crocodile as a pet.</p>	<p>Take a tour to the Melbourne Zoo. Write a persuasive argument about your favourite animal you saw. https://www.zoo.org.au/animal-house/</p>
<p>Should junk food be sold at school? Why/why not? Write a persuasive argument about your belief and read it to a family member.</p>	<p>Write a description on what you would do for your perfect day at home. Use your senses, adjectives and correct punctuation. Draw a picture to match your writing.</p>	<p>Write what it would be like to have 10 brothers or 10 sisters. List both positive and negative reasons.</p>	<p>You woke up and looked in the mirror. You were suddenly an adult. Write a journal entry about your day.</p>	<p>_____ is the best television show ever. Write a persuasive text to encourage other kids to watch the television program.</p>
<p>"Run faster!" I shouted, just as the... Finish this line and continue it as an adventure story, full of excitement and suspense.</p>	<p>Choose a country which neighbours Australia. Research and record 10 interesting facts about the natural or human features of this country</p>	<p>Make a list of 10 you would need if you were going on a summer holiday to Hawaii.</p> 	<p>Make a list of all of the things you would take with you on a trip to the moon.</p>	<p>Write a paragraph about a time that you had to deal with change in your life. Explain how you felt about the change and describe any strategies you used to help yourself adapt.</p>

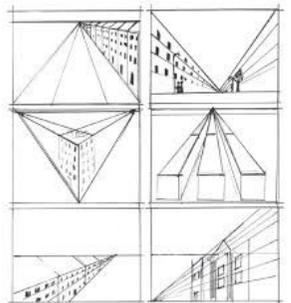

<p>Write a recipe card with steps to create your dream dessert. Make sure you list ingredients, materials for the dessert.</p>	<p>Write a description of any character in the book. Describe what he/she looked like, but also include other details that you can infer—such as favourite colour, horoscope sign, sports liked, and even a bumper-sticker or a T-shirt. Explain your choices.</p>	<p>Choose a character from a text and write a diary entry from their perspective. How are they feeling about the events that have taken place in your text? Remember it should be written in past tense and use the word 'I' as you are pretending to be a character.</p> 	 <p>Write a poem based on a character from a text. Use descriptive words to help responders visualise what your character is like. You may also choose to write a rap about a character.</p>	<p>Acrostic Poem Write an acrostic poem using the word 'EASTER BUNNY'</p>
--	---	--	---	--

Mathematics - Complete at least one Maths task each day.

<p>How many ways can you represent the fraction $\frac{1}{2}$? Use words and pictures to create a poster showing as much information about this fraction as possible</p> 	<p>Login to Mathletics and complete set tasks.</p>	<p>Write 5 real-life word problems that need to be solved using multiplication. Answer each problem and show your working.</p> 	<p>Using a take-away menu, order dinner for your family. List each item and how much it costs, then calculate the total price. Use a calculator to check your calculations.</p>	<p>Find 10 items around the house and measure the length of them in cm and mm. Next, order the measurements from smallest to largest.</p>
